

GINX ESPORTS TV

ROAD TO WRESTLMANIA GIVEAWAYS

Terms and Conditions

1. The competition is open to all residents of the UK, the Channel Islands and the Isle of Man aged 16 or over, except GINX employees, their close relatives or anyone connected with the competition or the particular prize being offered.

2. A qualifying question will be asked on air on The BRIDGE with three possible answers; the letter corresponding to the answer you choose will need to follow the keyword set for the day's prize e.g. WWE in the body of the text message entry. Entrants will also need to include their name and age for eligibility and verification purposes.

3. Registration to take part in the competition is only available by using the following method:

By texting 82055 with the keyword (WWE following the example above) followed by A, B or C Texts will be charged at your standard message rate. Check with your network provider for exact costs. No other method of entry will be accepted. Only one entry is allowed per viewer for each daily prize. If you enter more than once your subsequent entries will not count but you will be charged.

Entries missing some of the information above will not be considered valid entries for this competition.

4. Registration will be open at 2030 on the first day 13th March and on subsequent Mondays during March, April and May 2017 when the competition is being played. The competition registration period will close on the Friday of that week at 2000. At that point a keyword will be given on air. Entrants should listen out for this word.

5. Potential winners will be drawn at random from all entries with the correct answer. A short list of up to 50 numbers will be generated. The shortlisted callers will be called back in the order they were selected, live on the air. They will need to answer their phone with the keyword announced at 2000 in order to win the prize. If the call is not answered on the first attempt, it's clear the call is not going to be answered, or they fail to answer in the correct manner, are rude or abusive then they will fail to win the prize. The next entrant on the list will then be called.

6. This process will continue until an entrant answers their phone in the prescribed manner. If no winner is found before 2300 on the Friday the Prize will no longer be available to win that day and will be rolled over into the Prize offered on the following Monday. On that day the process will continue until a winner is found.

7. The phone from which the text entry is sent in the registration process must be the entrant's phone. The entrant must be entering on their own behalf. GINX TV reserves the right to disqualify any entrant who did not register using their own phone, who answered a call to someone else's phone or who has someone else answer their phone on their behalf. Further the GINX TV reserves the right to disqualify an entrant if it discovers the information provided in the text entry is incorrect. This may mean that a winner is disqualified for not providing the correct information for verification purposes, that prize will go back into the pot and will be rolled into the final prize on Monday 5th May 2017.

8. The GINX TV's decision as to entrants and winners is final. No correspondence relating to the competition will be entered into.

9. Entrants agree to take part in any post-competition publicity if required.

10. The Prize is as described in the Prizes section under the relevant date. The Prize description may include additional requirements which alter the eligibility of that particular round of the competition, impose additional rules or restrictions specific to that Prize. You must read the particular Prize description carefully before entering. The particular Prize may require collection or additional actions to be taken for fulfilment. GINX TV is not responsible for winners failing to follow instructions. There will be no additional elements, fees or expenses covered (including but not limited to travel or accommodation) unless expressly stated in the particular Prize description.

11. If the Prize includes tickets or entry to an event, GINX TV will not be responsible for any failure of the Winner and/or guests (if applicable) to gain entry or re-entry to the event due to their behaviour or failing to meet the admission requirements. GINX TV will not be responsible for suspension or cancellation of events that may form part of the Prize. If the Prize includes access to a sporting event, the winners and guests (if applicable) must not be subject to any order banning them from attending such sporting events.

12. Winners are excluded from subsequent rounds of the competition.
